

GUIDEPOST IN MOTION: THE SECURITY CHALLENGES OF RETURNING TO THE WORKPLACE PART 1

Angela Osborne and Sean Wellford discuss the uptick in clients reaching out for advice on preparing their employees to return to the worksite. They highlight the numerous considerations employers must address from a security and safety perspective as they relate to the various work-on-site and work-from-home models. They also talk about the enhancements in tools available to employers as well as some of the new tools introduced to help ease employees back into the work environment.

ANGELA OSBORNE CPP, PSP, PCI

Associate Vice President, Risk + Emergency Management Solutions

Angela J. Osborne, PCI, PSP, CPP specializes in leadership threat assessments, performing security risk assessments, and conducting physical security assessments. She has worked with clients in diverse sectors, including government, healthcare, legal, and commercial and residential properties. Ms. Osborne recently completed threat assessments and physical security assessments across 10 criminal court buildings for Cook County in the Chicago-area through a U.S. Department of Homeland Security Urban Areas Security Initiative Program grant. She is developing security countermeasure, physical and technical enhancements, and operational improvements for courthouses in high crime areas.

SEAN WELLFORD

Senior Security Consultant
