

GUIDEPOST IN MOTION: THE SECURITY CHALLENGES OF RETURNING TO THE WORKPLACE PART 2

Angela Osborne and Sean Wellford discuss the increase in anxiety levels employees are experiencing as they transit back to work and the initiatives employers can implement to help alleviate their employees' concerns. They also talk about involving a third party to conduct a security assessment of the workplace site and transit routes to assess the current security posture and risk level of the environment.

ANGELA OSBORNE CPP, PSP, PCI

Associate Vice President, Risk + Emergency Management Solutions

Angela J. Osborne, PCI, PSP, CPP specializes in leadership threat assessments, performing security risk assessments, and conducting physical security assessments. She has worked with clients in diverse sectors, including government, healthcare, legal, and commercial and residential properties. Ms. Osborne recently completed threat assessments and physical security assessments across 10 criminal court buildings for Cook County in the Chicago-area through a U.S. Department of Homeland Security Urban Areas Security Initiative Program grant. She is developing security countermeasure, physical and technical enhancements, and operational improvements for courthouses in high crime areas.

SEAN WELLFORD

Senior Security Consultant
