

WELL DONE IS BETTER THAN WELL SAID – THE MUTUAL BENEFIT OF INTEGRATING ESG WITH COMPLIANCE: PART TWO

In part two of her latest *Forbes* article, [Julie Myers Wood](#) highlights how companies and other organizations can execute their ESG strategies successfully by integrating compliance as a value-added function, so that their ESG actions match their words in an ethical and compliant manner.

JULIE MYERS WOOD

Chief Executive Officer

As the Chief Executive Officer of Guidepost Solutions, I focus on helping corporations resolve problems with government agencies, and ensure they are proactively addressing compliance requirements. Prior to joining the private sector, I held leadership positions with the U.S. Departments of Homeland Security, Commerce, Treasury and Justice. This includes serving as the Head of Immigration and Customs Enforcement, Homeland Security's largest investigative component, as well as the Assistant Secretary for Export Enforcement and the Chief of Staff for the Criminal Division at the Department of Justice. Throughout my government and private sector career, I have helped develop, implement and execute compliance programs and crisis management plans and responses across a wide range of industries for numerous companies. I am nationally recognized as a speaker for my expertise on compliance, security, immigration and other law enforcement issues and have testified before Congress.
