

THE WORLD BANK GROUP AND OTHER MULTILATERAL DEVELOPMENT BANK INVESTIGATIONS IN THE POST COVID PANDEMIC ERA

In conjunction with Shin & Kim LLC, Guidepost will present a webinar to address the challenging situations Korean companies face as a result of the financing they received from the World Bank Group and its affiliated multilateral development banks during the Covid pandemic. [Chris Kim](#) will join the panel which will cover what these companies need to know about these investigations, how to prepare for them, and how to respond when under investigation.

CHRISTOPHER KIM

Senior Managing Director

Christopher Kim is a senior managing director at Guidepost Solutions, and previously served as a senior investigator at the World Bank Group, where he planned, managed and directed multi-disciplinary teams in the audits of multinational corporations alleged to have been involved in fraud, corrupt and/or collusive practices. Mr. Kim also coordinated numerous World Bank sanction complaints and/or cases with the other multi-lateral development banks and UN agencies. He also managed a high profile investigation involving a World Bank staff member and parallel criminal investigations with several European criminal authorities.
