

# “SECURING THE INFOSPHERE AND BEYOND” CHAPTER IN SECURITY IN 2025

ASIS Online –

Angela Osborne authored *Securing the Infosphere and Beyond*, an excerpt from *Security in 2025*, which discusses security careers of the future and the need for professionals to understand cybersecurity challenges, have experience addressing physical security threats, and frame these serious challenges in ways that make financial sense for key decision makers.

## ANGELA OSBORNE CPP, PSP, PCI

Associate Vice President, Risk + Emergency Management Solutions

Angela J. Osborne, PCI, PSP, CPP specializes in leadership threat assessments, performing security risk assessments, and conducting physical security assessments. She has worked with clients in diverse sectors, including government, healthcare, legal, and commercial and residential properties. Ms. Osborne recently completed threat assessments and physical security assessments across 10 criminal court buildings for Cook County in the Chicago-area through a U.S. Department of Homeland Security Urban Areas Security Initiative Program grant. She is developing security countermeasure, physical and technical enhancements, and operational improvements for courthouses in high crime areas.
