

# CONVERGENCE OF PHYSICAL AND LOGICAL SECURITY: WHAT SIS SHOULD KNOW

*asmag.com*

The advantage of the convergence of physical and logical security is obvious. However, end users and system integrators remain slow to implement it. Matt Wharton discusses this with Asmag.com.

## MATTHEW WHARTON SR.

President, Strategic Accounts

Matthew Wharton serves as president for strategic accounts. Mr. Wharton is a career security professional with more than 35 years of experience leading security consulting and integration firms. He designs solutions from “The Owner’s Perspective” with improved recommendations that meet regulatory and fiscal requirements and transform internal functions from cost centers to sources for corporate investment that deliver increased integrity to the enterprise and enhance shareholder value.
