

AS POT STOCK GROWS, SO DO SECURITY CONCERNS

Security Infowatch.com

As legalization spreads, how to secure the cannabis industry looms as a sticking point for security providers. Tim Sutton provides his perspective.

TIMOTHY SUTTON CPP, PSP, PCI, CHPA

Senior Security Consultant

Timothy Sutton has more than 30 years of security experience. His expertise includes operational security management and program development, loss prevention, physical security and risk assessments, and technical security systems design and implementation. He has worked with clients in diverse sectors including medicinal and adult-use cannabis, healthcare, retail, government, manufacturing, and multi-use properties.
