## STEPHANIE DOUGLAS

President, National Security Practice

Stephanie Douglas focuses on sensitive internal and white-collar crime investigations, corporate security programs, intellectual property (IP) protection and investigations, and proactively educating executives about insider threats. She has extensive experience in the management of criminal and national security investigations, domestic and global security operations and policy development and strategy. Ms. Douglas has had a distinguished career in both the private and public sectors. After 23 years, she retired as a Senior Executive from the Federal Bureau of Investigations where she served in a variety of influential roles. She also served as the senior director of corporate security for Pacific Gas & Electric prior to joining Guidepost Solutions.
