

TELL ME SOME MORE BAD NEWS: ENCOURAGING THE INTERNAL REPORTING OF COMPLIANCE FAILURES

Forbes –

In her latest article for Forbes, CEO Julie Myers Wood talks about whistleblowers and the importance of creating a safe environment in which employees understand their role in escalating concerns, are well-informed about the reporting process, and are secure in the knowledge that their report is welcomed, without fear of retaliation.

JULIE MYERS WOOD

Chief Executive Officer

As the Chief Executive Officer of Guidepost Solutions, I focus on helping corporations resolve problems with government agencies, and ensure they are proactively addressing compliance requirements. Prior to joining the private sector, I held leadership positions with the U.S. Departments of Homeland Security, Commerce, Treasury and Justice. This includes serving as the Head of Immigration and Customs Enforcement, Homeland Security's largest investigative component, as well as the Assistant Secretary for Export Enforcement and the Chief of Staff for the Criminal Division at the Department of Justice. Throughout my government and private sector career, I have helped develop, implement and execute compliance programs and crisis management plans and responses across a wide range of industries for numerous companies. I am nationally recognized as a speaker for my expertise on compliance, security, immigration and other law enforcement issues and have testified before Congress.
