

HOW COVID-19 IS IMPACTING THE WORLD OF PRIVACY

In this 20–30 minute webinar, the speakers will discuss how COVID-19 is impacting privacy concerns in the US and internationally, ranging from enforcement delays, employee monitoring at home and the workplace, to video conferencing issues. Join us to learn how you can protect your company, maintain compliance with a displaced workforce and meet the unforeseen challenges of the new normal.

ALLISON SPAGNOLO CIPP

Chief Privacy Officer, Senior Managing Director

Allison Spagnolo, a managing director in the Financial Crime Consulting practice, has worked on numerous engagements involving government contracting and financial institution matters. This includes reviewing anti-money laundering and sanctions issues for global banks and multi-national companies, as well as advising on financial crime compliance issues specific to cryptocurrency exchanges and Fintech companies. She has traveled extensively in Europe and Asia for the purpose of leading and conducting on-site inspections and reviews related to monitorships and other compliance matters.
