

# SECURING YOUR BUSINESS BEFORE DISASTER HITS: PLANNING FOR EXTREME WEATHER

There are three core pillars of security strategy: physical, operations and technology. You may think you've addressed each of them in the comprehensive plans you've put in place for any and all emergencies. But are you adequately prepared for an unforeseen weather event? John Torres offers some practical advice.

## JOHN TORRES

President, Security + Technology Consulting

John P. Torres is the president of the Security & Technology Consulting practice for Guidepost Solutions. John has extensive investigative and security experience. Previously, he served as the Special Agent in Charge for Homeland Security Investigations in Washington, D.C. and Virginia. His background includes more than 27 years of experience providing investigative and security management for the U.S. Departments of Homeland Security and Justice, including serving as the Acting Director and the Deputy Director of U.S. Immigration and Customs Enforcement.
