

PREVENTING INTRUSION – COLLABORATIVE SECURITY INTEGRATION STRATEGIES FOR SECURED ENTRANCES

Security Today –

A well-designed and implemented access control system keeps track of who is coming and going to help mitigate the risk of bad actors entering the facility. [Timothy Sutton](#) offers his thoughts.

TIMOTHY SUTTON CPP, CHPA, PSP

Senior Security Consultant

Timothy Sutton has more than 30 years of security experience. His expertise includes operational security management and program development, loss prevention, physical security and risk assessments, and technical security systems design and implementation. He has worked with clients in diverse sectors including medicinal and adult-use cannabis, healthcare, retail, government, manufacturing, and multi-use properties.
