

UNIVERSITY RESEARCH, START-UPS AND INTERNATIONAL FUNDING WHITEPAPER

We understand how hard it is to navigate the complex cross-section of international funding of higher education research, start-ups, and U.S. national security interests.

[Robert Roach](#), who most recently served as the Vice President, Chief Global Compliance Officer at New York University, the largest private university in the United States, has outlined a path to success in this whitepaper: ***University Research, Start-ups and International Funding: Reasons for Optimism and Continued Due Diligence in 2021.***

Did you miss our recent [Managing National Security Risks for University Researchers + Their Start-ups](#) webinar?

A recording of the presentation is available. Please feel free to contact [Robert Roach](#) to obtain a copy or if you need additional information.
