

JOSEPH CHAPMAN

SENIOR ACCOUNTING MANAGER

Office: +1 646 553 1377

Mobile: +1 917 750 8563

Email: jchapman@guidepostsolutions.com

OVERVIEW

Joseph Chapman has more than 20 years of accounting and finance experience within a variety of industries including finance, media, technology, and consulting. He joined Guidepost Solutions' predecessor in 2005 and currently oversees the company's day-to-day accounting department operations throughout all of its regional offices.

Mr. Chapman has an extensive background with planning and analysis activities, financial reporting and acquisition integrations. Prior to joining Guidepost Solutions, he was the budgeting and reporting manager for a subsidiary of Vivendi Universal. Mr. Chapman spent more than 13 years with Charles Schwab in a variety of finance and accounting roles, which included the financial planning and analysis function for the firm's retail marketing division. He also served as a financial consultant for Silicon Valley technology companies.

Mr. Chapman received a Master of Business Administration degree in finance from the University of San Francisco and a Bachelor of Business Administration degree in finance from Ohio University.
