

## NICK MILLER LEED AP

### REGIONAL VICE PRESIDENT, WEST COAST STRATEGIC ACCOUNTS

Office: +1 510 250 6234

Mobile: +1 510 529 5416

Email: nmiller@guidepostsolutions.com

## OVERVIEW

Nick Miller brings more than 37 years of security and technology experience to the Guidepost Solutions team. Throughout his tenure, he has developed and directed numerous key client relationships that expand security and fire alarm design to include telecommunications and audiovisual systems. His strategic operationally-focused approach to consulting has played a key role in the continued relationship of global accounts. Mr. Miller's experience includes assessments, master planning, design, cost estimating, commissioning, management, and peer review.

Mr. Miller is a LEED Accredited Professional in the U.S. Green Building Council, has served as a subject matter expert speaker for ASIS International, and is a member of the Security Technology Alliance.

Mr. Miller has expertise in the following markets:

- Corporate
- Cultural
- Education
- Government
- Healthcare
- Justice
- Residential
- Science & Technology
- Sports & Entertainment
