

REEMA DANAF

RESEARCH ANALYST

Office: + 646.553.1352

Mobile: + 917.227.0633

Email: rdanaf@guidepostsolutions.com

OVERVIEW

Reema Danaf has experience conducting in-depth research for litigation support and investigative purposes. She handles complex due diligence assignments, background investigations, asset searches, and private investigations.

Ms. Danaf is an expert in navigating public records and has advanced knowledge using multiple database and research tools, including Bloomberg, LexisNexis, Westlaw, EDGAR, and PACER.

Prior to joining Guidepost, Ms. Danaf worked as a Senior Analyst for a global law firm specializing in disputes and investigations. In this role, she gained an extensive background in factual development and legal case management.
