Re: Status of the Report of the Independent Investigation

Dear Oxford Community Schools Board of Education,

Guidepost is pleased to provide you with this monthly status update.

Since Guidepost's last appearance before the Board, Guidepost met with officials from the Oakland County Prosecutor's Office and the Oakland County Sheriff's Office, where Guidepost was given access to additional materials relevant to Guidepost's independent investigation. We have also received additional relevant documents from the District and interviewed more witnesses. For the most part, we are now writing the final report. There may be some additional follow-up work this summer to address any gaps, but we are on schedule to deliver the final report this fall.

A Guidepost representative will provide a public update at the August 8 board meeting.

Sincerely,

Bradley Dizik
